Part II Course Details

1. Abstract

(A 150-word description about the course)

The course aims to:

- explore the process of advertising copywriting in English and the techniques involved in the complex process of creating advertising texts for various media and a range of audiences;
- identify examples and genres of persuasive writing in English;
- critically evaluate the impact that advertising messages have on audiences in a range of social and professional contexts;
- analyse the language and discourse of advertising messages in English;
- apply a range of multi-modal persuasive devices used by advertising copywriters to practice writing advertising copy across a range of media.

2. Course Intended Learning Outcomes (CILOs)

(CILOs state what the student is expected to be able to do at the end of the course according to a given standard of performance.)

No.	CILOs	Weighting* (if applicable)	Discovery-enriched curriculum related learning outcomes (please tick where appropriate)		
			A1	A2	A3
1.	Identify and explain the concepts underpinning the rationale and creation of advertising copy and its application across a range of media for various audiences and demonstrate an understanding of the history and role of professionals and institutions in shaping communications.		✓		
2.	Critically evaluate the advertising process – production and consumption – and its use by a range of agencies in society and understand concepts and apply theories in the use and presentation of images and information.		✓	✓	
3.	Analyse the means by which advertising messages are employed at a number of functional communicative levels for a variety of purposes including commercial sales, entertainment, information provision, social control and cultural exchange.		✓	✓	
4.	Create impactful advertising copy in English using words and images to communicate effectively with identified target audiences by writing correctly and clearly in forms and styles appropriate for the communications professions, audiences and purposes they serve.				✓
5.	Critically assess their own advertising copy and that of others for accuracy and fairness, clarity, appropriate style and grammatical correctness to think critically, creatively and independently.			✓	
		100%			

* If weighting is assigned to CILOs, they should add up to 100%.

A1: Attitude

Develop an attitude of discovery/innovation/creativity, as demonstrated by students possessing a strong sense of curiosity, asking questions actively, challenging assumptions or engaging in inquiry together with teachers.

A2: Ability

Develop the ability/skill needed to discover/innovate/create, as demonstrated by students possessing critical thinking skills to assess ideas, acquiring research skills, synthesizing knowledge across disciplines or applying academic knowledge to self-life problems.

A3: Accomplishments

Demonstrate accomplishment of discovery/innovation/creativity through producing /constructing creative works/new artefacts, effective solutions to real-life problems or new processes.

3. Teaching and Learning Activities (TLAs)

(TLAs designed to facilitate students' achievement of the CILOs.)

TLA	Brief Description	CILO No.						Hours/week (if applicable)
		1	2	3	4	5		
Mini-lectures, tutorial discussions	The lectures will introduce students to the main historical and contemporary concepts of advertising essential to an understanding of the role that persuasive communication plays. The tutorials will enable students to critically discuss these theories and with application to the production of advertising concepts and copy.	✓	✓					Throughout the semester
Case study analysis	In-class individual and group analysis of persuasive advertising case studies and readings with guided comprehension questions will enable students to become acquainted with the range of persuasive communicative messages across advertising genres from print to outdoor and digital modes to analyse and understand the ways in which varying persuasive communication models and principles are used professionally in the creation of effective ad messages.		✓	✓				3-6 weeks
Problem based learning activities	A series of in-class, group-based and group-led tutorial exercises throughout the semester will enable students to apply the advertising copywriting theories and skills covered in mini-lectures, cases and readings by designing and creating their own copy.				✓	✓		Throughout the semester
Methodology in action activities	Students will generate effective advertising copywriting skills using a range of critical and practical methodologies covered in lectures, cases, readings and practised in tutorial sessions to create their own advertisements in small groups.				✓	✓		3-9 weeks

4. Assessment Tasks/Activities (ATs)

(ATs are designed to assess how well the students achieve the CILOs.)

Assessment Tasks/Activities	CILO No.						Weighting*	Remarks
	1	2	3	4	5			
Continuous Assessment: 100%								
Critical analysis of advertising text (1500 word essay minimum)	✓	✓	✓				45%	
Advertising analysis – the digital ad world (800 word minimum report)		✓	✓	✓			10%	
Advertising campaign project (2000 word report and advertising text)			✓	✓	✓		45%	
							100%	

** The weightings should add up to 100%.*

5. Assessment Rubrics

(Grading of student achievements is based on student performance in assessment tasks/activities with the following rubrics.)

Assessment Task	Criterion	Excellent (A+, A, A-)	Good (B+, B, B-)	Adequate (C+, C, C-)	Marginal (D)	Failure (F)
1. Critical analysis of advertising text (1500 word essay minimum)		<ul style="list-style-type: none"> • The text is very well selected and analysed. • All relevant information and key persuasion theories and advertising concepts are included for analysis. • The text is very comprehensively analysed and explained. • The analysis is effectively conveyed in coherent and accurate written English. 	<ul style="list-style-type: none"> • The text is well selected and analysed. • On the whole key relevant information and key persuasion theories and advertising concepts are included for analysis. • The text is well analysed and explained. • The analysis is clearly conveyed in accurate written English. 	<ul style="list-style-type: none"> • The text selected for analysis is sufficient. • Only part of information and key persuasion theories and advertising concepts are included for analysis. • Only part of the text is analysed and explained. • Only part of the analysis is clearly conveyed in moderately accurate written English. 	<ul style="list-style-type: none"> • The text selected for analysis is sketchy and inadequate. • Only limited information and key persuasion theories and advertising concepts are incorporated for analysis. • The analysis is not informative or comprehensive. • The analysis is limited and in somewhat understandable written English. 	<ul style="list-style-type: none"> • The text selected for analysis is totally inadequate. • Very limited or inaccurate information and key persuasion theories and advertising concepts are incorporated for analysis. • The analysis is not at all comprehensible. • Unable to analyse key persuasion theories and advertising concepts and unable to use understandable written English.
2. Advertising analysis – the digital ad world (800 word minimum report)		<ul style="list-style-type: none"> • The text is extremely well selected and analysed. • All relevant information and key advertising concepts are included for analysis. • The text is comprehensively analysed and explained. 	<ul style="list-style-type: none"> • The text is well selected and analysed. • On the whole relevant information and key advertising concepts are included for analysis. • The text is well analysed and 	<ul style="list-style-type: none"> • The text selected for analysis is sufficient. • Only part of information and key advertising concepts are included for analysis. • Only part of the text is analysed and explained. 	<ul style="list-style-type: none"> • The text selected for analysis is sketchy and inadequate. • Only limited information and key advertising concepts are incorporated for analysis. • The analysis is not informative or 	<ul style="list-style-type: none"> • The text selected for analysis is totally inadequate. • Very limited or inaccurate information and key advertising concepts are incorporated for analysis. • The analysis is not at all comprehensible.

		<ul style="list-style-type: none"> • The analysis is effectively conveyed in coherent and accurate spoken English. 	<p>explained.</p> <ul style="list-style-type: none"> • The analysis is clearly conveyed well in accurate spoken English. 	<ul style="list-style-type: none"> • Only part of the analysis is clearly conveyed in moderately accurate spoken English. 	<p>comprehensive.</p> <ul style="list-style-type: none"> • The analysis is limited and in somewhat understandable spoken English. 	<ul style="list-style-type: none"> • The analysis is not comprehensible. • Unable to analyse key advertising concepts and unable to use understandable spoken English.
3. Advertising campaign project (2000 word report and advertising text)		<ul style="list-style-type: none"> • The creative concept is very well developed and analysed. • All relevant advertising concepts are applied and executed. • The advertising concept is comprehensively analysed and explained. • The analysis and campaign execution are very effectively conveyed in coherent and accurate written English. 	<ul style="list-style-type: none"> • The creative concept is developed and analysed. • On the whole key advertising concepts are applied and executed. • The advertising concepts are well analysed and explained. • The analysis and campaign execution are conveyed well in coherent and accurate written English 	<ul style="list-style-type: none"> • The creative concept is moderately developed and analysed. • Sufficient advertising concepts are applied and executed. • Partial advertising concepts are sufficiently analysed and explained. • Partial analysis and campaign execution are sufficiently conveyed in moderately accurate written English. 	<ul style="list-style-type: none"> • The creative concept is sketchy and inadequate. • Only limited advertising concepts are applied and poorly executed. • The advertising concepts and campaign execution are not sufficiently analysed and explained. • The analysis and campaign execution are very limited in somewhat understandable written English. 	<ul style="list-style-type: none"> • The creative concept is totally inadequate. • Very limited or inaccurate advertising concepts are applied poorly executed. • The advertising concepts and campaign execution are not at all comprehensible. • The analysis and campaign execution are not at all comprehensible.
