Part II Course Details

1. Abstract

(A 150-word description about the course)

This course aims to introduce students to the techniques of poetry writing. Students will study the various elements of poetry including rhythm, meter, rhyme, assonance, alliteration, imagery, metaphor, theme and symbolism and apply this knowledge to writing their own short stories. The course will be taught in a ‘workshop’ format in which students will read and critique one another’s work.

2. Course Intended Learning Outcomes (CILOs)

(CILOs state what the student is expected to be able to do at the end of the course according to a given standard of performance.)
